**Topic: Shopping. Indefinite Pronouns.** 

## 1) Let's watch a sheet:

Type of phrase Pronouns	+		j
Много	a lot		
исчисл.+неисчисл.	some	any	any
Много			
исчисл.	many	many	many
Много			
неисчисл.	much	much	much
Мало			
исчисл.	(a) few	(a) few	(a) few
Мало			
неисчисл.	(a) little	(a) little	(a) little

Когда используют местоимения some в отрицательных предложениях? Если это предложение- просьба.

May I have some bread, please?

Когда используют местоимения *any* в утвердительных предложениях? Если хотят сказать «любой, какой угодно, всякий». *Any person wants to be happy. Любой человек хочет быть счастливым*.

Сказуемое перед неисчисляемыми существительными с неопределенными местоимениями some *u any* ставят в единственном числе.

There <u>is</u> some <u>water</u> in the cup./ There <u>are</u> some <u>eggs</u> in the fridge.

Почему иногда слова few u little используют с артиклем?

Few /little - мало, недостаточно, нисколько

A few/a little – мало, но достаточно, несколько
