

Teacher Elena Nikolaevna Plaksina, School # 98, Krasnodar.

Year 7. Module 10. Lesson 2.

Topic: Healthy Body, Healthy Mind.

1/ Read right the new words below, do the vocabulary and learn them by heart. SB p. 98 ex.1 + words from p. 100:

An accident, to happen, to hurt, break a leg (an arm etc.), cut a finger, to wrap, chip a tooth, to sprain, a wrist, an ankle, to bang a head, to have an ache (a stomachache), feel exhausted, have a sore throat, have a high fever, Bad luck!

To take a painkiller (a tablet, syrup, a capsule, herbal remedy), to lie down, to have/ to get some rest, to relax, to eat a light meal, to put drops in ..., to put a cold pack on a forehead, to drink plenty of fluids, to call for an ambulance, to visit a doc, Here's what you can do.

2/ Let's talk a little. Do little dialogues using these structures:

-Oh, I have a.../ Oh, I've cut my...

- So here's what you can do. You should...

3/ Do ex 1-2 p.101. What is RFDSA? What country is it located? Find out in the text first, then read and translate.

Home Work:

Do the vocabulary and learn the new words of this lesson by heart. Read the text p. 101 till the end and then do ex.1-3 p.

103. **Good luck!**
