**Year 7.  
Module 8. Lesson 2.**

# Topic:

## Scotland's National Nature. Look at the pictures!

## First assignment.

What's your opinion about today's lesson?

What will we speak about?

- Open your student books p. 81. Do ex. 1.  
Use on-line dictionary.
- Read one of the articles on the webpage.
- Is it possible to write a plan of this article?
- Are there such points as: introduction, main body, conclusion. Can you retell about nature reserve.
- So do the plan of the article you've read. Use ex. 3.  
Present your plan to your group.

## Second assignment. Try to answer these questions:

- Are St Kilda the islands or a river?
- What birds and animals live there?
- Why is Loch Lomond so famous in Great Britain?
- What is the best time to visit this reserve?
- What can you see in the Insh Marshes?

# Home Work:

- SB p. 81 ex. 4. Write an article about Caucasus Natural Reserve using a plan:  
*location, famous for, what you can see there, best time to visit.*

**Our lesson is over! Good bye, friends!**

Thanks for your  
attention!  
Bon chance!
